# Remarks / Special notes

Stuco is manufacturing shoes as a company since 1898 and has its head office in Switzerland. All Stuco shoes, including the uppers, are produced in Europe. Our production Stuco Kft. in Hungary is ISO 9001/14001 certified and is continuously checked and audited according to the Amfori-BSCI standards. The development and design occurs at Stuco AG in Switzerland. Stuco shoes are therefore not only a sign of uncompromising quality, but also of social responsibility and sustainable environmental awareness.
